USE OF WATER CONTAINED.

Commissioners Decide to Cut Off the Use of Hose for
Lawns and Streets—Street Sprinkling Referred to
the Council.

The first business meeting of the
board of water commissioners since
the organization was held Friday
evening with all the members in at-
tendance. There was the usual busi-
ness of bills and a petition was re-
ceived from the United States Fire
company asking for the privilege of
attaching a hose to a hydrant and
using the city water to put out a fire
in their dump along the river bank.
This was referred to the chief of the
fire department, but it seemed to be
thought the water from the river
should be used for that purpose.

The question of curtailing the use
of city water in order to save the sup-

evening. Both the officers now in
charge of the department and those
who will take office the first of August
were in attendance and a thorough dis-
cussion resulted, the session lasting
about the hour of the first of August.

CURES PIMPLES QUICKLY.

Simple Remedy That Cures Skin
Quickly of All Eruptions.

For several weeks past The Lee &
Osgood Co. have done the biggest busi-
ness they ever had in any one article
in selling Hokara, the skin food that
has won so many friends in Norwich.
It has been found to be an absolute
cure not only for all minor skin trou-
bles, such as pimples, blackheads,
herpes, acne, scaly scalp, complexion
blemishes, itching, eczema, etc., but
for the worst sores, ulcers, or even
chronic eczema and salt rheum. There
have been many forms of warts or
disease affecting the skin or mu-
cous membrane that Hokara does not
heal, and its action is so instantaneous
that those who try it are simply de-
lighted with it right from the start.

In spite of its unusual curative pow-
er, the price is trifling. To convince
every one of its merits The Lee &
Osgood Co. will sell a liberal-sized jar
for 25c; larger size 50c. And remem-
ber that if you don't think it does
what it claims, you get your money
back. You certainly can afford to try
it on this plan.

"Foley Kidney Pills Have Cured Me."
The above is a quotation from a let-
ter written by H. M. Winkler, Evans-
ville, Ind. "I contracted a severe case
of kidney trouble. My back gave out
and I was in pain. I seemed to have lost
all strength and ambition; was bother-
ed with dizzy spells, my head would
swim and specks float before my eyes.
I took Foley's Kidney Pills regularly
and am now perfectly well and feel
like a new man. Foley Kidney Pills
have cured me." Lee & Osgood Co.
